

EAST TISTED NEIGHBOURHOOD WATCH

ANNUAL REVIEW 2017

The scheme started in January 2012 and now has a distribution to 89 members.

We still enjoy a low level of crime in the village, but there are a small number of incidents that occur on a weekly basis that do not get reported.

The Police areas have changed and we are now part of the Four Marks and Ropley beat. (see attached)

Alton Police Station has recently closed and if needs be you can visit Basingstoke, Aldershot or Waterlooville police Stations. I continue to have a good relationship with our local PCSO and can call on him for any advice required.
