Dear Clerk,

On behalf of CPRE Hampshire, the countryside charity, I would like to enquire about litter picking within your Parish.

CPRE Hampshire are very much in favour of organised litter picks and are very keen to support the local community in reducing litter and pollution.

In order for us to better direct litter picking enquiries to existing groups already active within your area, and to help us think more carefully about how we as a charity can contribute to litter reduction, I hoped you could please provide me with the following information:

- The details of any active litter picking groups within your parish
- What/if any plans do you have to hold litter picking events in 2021 including in support of the 'Great British Spring Clean' national initiative in May.

If I should direct this email to an alternative address, please do let me know, otherwise thank you for your time, and I look forward to hearing from you.

Best Wishes

Natalie
