

Notice of Review of Polling Districts and Polling Places

The Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006

The above regulations require East Hampshire District Council to carry out a review of its Polling Districts and Polling Places.

We are looking for feedback on any aspect of polling districts and/or polling places currently used and invite representation and comments from interested persons.

Local political parties and Councillors will be consulted and views are invited from electors within the Parliamentary Constituency of East Hampshire and Meon Valley (EHDC Wards) as well as such persons as may have particular expertise in relation to access to premises or facilities for persons who have different forms of disability.

Local community groups will also be consulted.

The consultation period for the review will commence on the **Friday 1st July 2022** and end on **Wednesday 31st August 2022**.

Although the review is of polling districts and polling places it is accepted that polling stations are inexorably linked to the review and comments are invited regarding those stations currently used and/or any suggested alternatives.

Information regarding the current polling districts and places can be found on the Council's web site or from Electoral Services at the address below
